

YOUTH WEEK 2024

E-BULLETIN

THE YOUTH MINISTRY

"Therefore you are no longer a slave (bond-servant), but a son; and if a son, then also an heir through [the gracious act of] God [through Christ]". Galatians 4:7 AMP

Heirs of the Father, an excerpt coined from the above passage best describes what the Youth Ministry of the church is known for. In the world today, many youths face the pressure to conform to unrealistic standards of beauty, success, and popularity propagated by social media and society. This can lead to low self-esteem, body image issues, and a constant sense of inadequacy. It is important that they are reminded daily of the promises of their heavenly Father, which is being called into the inheritance and continuation of His cause and by His Grace they will; Believe, Grow in Him and have the manifestation of His spirit. Being saved by Faith in Christ Jesus automatically makes them an heir to God's promises; access to enjoying benefits of being Sons and Daughters of Christ.

LOVE MINISTRY

The Love Ministry is about sharing and caring for others, reaching out to the needy or needs of others irrespective of who you are or what you have. It's an arm of the church that is mainly concerned about the welfare of the people. They foster the growth of the church especially when concern is shown through love or giving or catering for others. The Love Ministry also fosters Growth in Population of the Church. The More people are being reached out to, the more they would be interested in being a part of that body that cares, especially at a time like this.

SINGLES MINISTRY

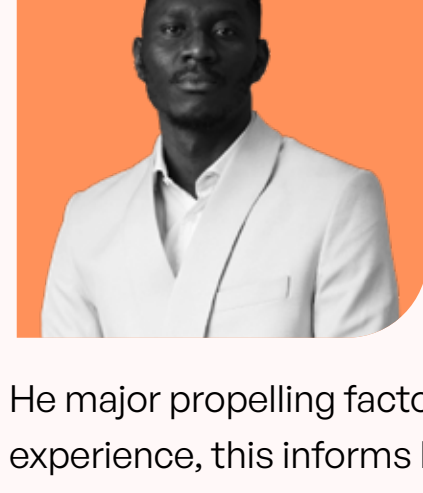

The singles' ministry of the Foursquare Gospel Church, Nigeria seeks to support, equip and encourage Christian singles to live godly and fulfilling lives as they take on the personal, professional and social challenges or pressure of being single to become strong disciples for the Kingdom building, while waiting on the Lord for their spouse. The Singles' fellowship is an avenue for the singles within the church to assemble to share the Word of God, experiences, Christian values, and all that is needed in relationships and marriage. The aim of the Singles' Ministry includes: To raise morally and spiritually minded singles for marriage. To guide/counsel singles on issues that are related to marriage. To equip and empower singles on readiness for marriage. To prepare and counsel couples who are engaged to be married. To organise seminars and teachings on relationships, marriage and what to do while waiting. The vision is to edify, direct and counsel the singles while waiting. We look forward to having you amongst us. We love you!
